## 9-17-13 "THE POPCORN SIGNAL"

**Tip of the week:** When you go door to door selling we ask our customers if it's okay to chalk our pack number at the end of their driveway to let other scouts know we have already been there (small on one side). That way we don't go to the same house over and over again. Diane M, Pack 511

Email your tips of the week to [popcorn@nsbsa.org](mailto:popcorn@nsbsa.org) for prizes
