Tips of the week: Show and Deliver Units—plan a 2 hour neighborhood blitz to sell as much inventory as you can. Make it fun, award prizes and recognize top selling Scouts.

All Units—recognize top Selling Scouts' parents! They put in a lot of time and energy to make the popcorn sale successful!

Email your tips of the week to popcorn@nsbsa.org for prizes

Need more Popcorn?

Run out of product after a great first weekend? Order more product at superscoutnation.com and schedule a pickup at our warehouse. We have a limited amount of product available for those units who have run out of certain products.

To help keep our inventory available, please make sure your Scouts are not "sitting" on a lot of product that will later get returned. Use Show and Deliver for Storefronts and Door to Door sales with people you don't see all of the time. Available inventory is updated as we get more, check back often.

Make sure you have contacted you Scouts to see what product you are running low of.
